Mr J Baker (T/A Functional Fascia)
126B London Road West
Bath
BA1 7DD

Dear Mr Baker

Arrangements for provision of anatomy courses at Nottingham University Hospitals NHS Trust (the "Trust")

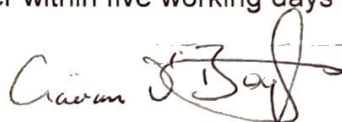

As has been indicated to you verbally on 26th September, 2017 it is the Trust's intention to bring the above arrangements with you to an end by 30 November 2017.

Please take this letter as formal notice that the Trust is hereby exercising its right to terminate, on reasonable notice, its existing arrangements with you. The termination date shall be 30 November 2017.

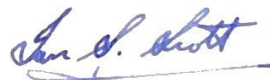

In relation to any courses scheduled to take place after the termination date involving the Trust, please remove the details of any such courses from your website and any other promotional material immediately and please refrain from signing up any further delegates. Please remove all references to the Trust from your website and any promotional material.

Please acknowledge receipt of this letter within five working days of receipt.

Yours sincerely,

Mr Ciaran O'Boyle, BSc MD FRCS (Plast)
Consultant Plastic Surgeon, Honorary Assistant Professor &
Clinical Lead, National Repository Centre & Clinical Skills Centre
